

How you have helped!

Comments we have received from our clients...

"Thank you from the bottom of my heart and soul. You've given me hope when I didn't have any left. I will definitely save your number. You are incredible. I cried all the way home from your kindness. Thank you so much!! You will definitely be hearing from me. Thank you from the deepest part of my soul. You're amazing!!"

"Thank you again for everything on Wednesday. When I got home and told my husband you would be able to help with car seats for our twins, he started crying with relief."

"After leaving my baby's father, I was hopeless and no longer had the support I had when I was with him. But because of how toxic our relationship was, I could not go back to him. I was leaving PPH when I looked across the street and saw Pregnancy Aid. I was feeling hopeless but when I walked into Pregnancy Aid I was greeted with warm smiles and my hope was restored. The woman at the desk was very helpful and after filling out a form that day I received diapers, wipes, clothes, and food for my family that I desperately needed. Pregnancy Aid has helped my family out more than once and I am forever thankful for them. This organization is a wonderful asset to the community and gives families hope. Thank you, Pregnancy Aid!"

"Two Hearts helped with my baby during covid19! She has a milk, protein allergy and we had no income at all and Pregnancy Aid helped with formula, diapers, and clothes for her. They gave her a toy too, which she loves!"

two HEARTS
pregnancy aid

Dear Faithful Friends,

I pray this letter finds you and your loved ones in good health and in peace. 2020 has proven to be a year like no other and the challenges this pandemic has brought on seem to reach every corner of our world and our lives. We here at *Two Hearts Pregnancy Aid* are in the heart of it!

Our mission is to provide immediate help without condition to any pregnant mother or family with young children. This year will be our 50th year of consistently doing just that! Before this crisis, we were providing help to an average of 12 families per day and taking in up to 7 new clients each week! While the material items we provide to them, such as car seats, diapers, formula, and clothes are essential, it is the intangible support we offer that is life changing! Our ability to guide each client through their individual challenges builds their sense of hope and their level of confidence necessary to make life-saving decisions. And the result? Mothers are choosing life and hearts are being transformed!!!

As expected, COVID-19 has had a direct impact on *Two Hearts Pregnancy Aid*. Aside from the first two weeks of the mandated quarantine, our doors have remained open (with adjusted safety measures), which has allowed us to provide critical help for our existing and many new clients! Due to the rapid increase in need, decrease in donations, and inability to hold fundraisers, our resources are becoming depleted. We are an essential service and a primary resource for Snohomish County and anticipate a steady increase in demand for our services in the coming weeks.

We cannot do this without you. Please join our family by becoming a monthly donor. Your commitment, regardless of amount, will enable us to better project our future outcomes. A one-time gift would also be greatly appreciated and allow us to continue serving those in greatest need. If you are already a financial donor to *Two Hearts*, we want to extend our deepest gratitude. It is by your faithful support that we are able to remain true to our mission, especially during this crisis.

As your new Executive Director, I am excited to see the miracles that await us! Please stay informed through our Facebook, website, and mailings to see the many ways your prayers and financial support are saving and changing lives! Please contact me for any assistance you may need or just to say hi!

With respect and gratitude,

Karla Curran, Executive Director

Today We Celebrate Maui!

“I don’t know what would have happened if I didn’t have the courage to go into Two Hearts’ organization. I was so lost at the time and me and my children’s life was in jeopardy. I came in for supplies, a car seat, and emotional support. My youngest was five months old and I was two months pregnant. My plan was to abort my child but once I was able to receive support and help from Two Hearts, I was able to make the best decision and have my baby. Life would be very different for me if I did not walk through those doors. “

Jeraman (God bless), Marlynn

Maui was born on December 10, 2019

Ways to Join our Family

Donate, donate, donate!

- Please consider making financial donation to help keep our doors open!
- We accept all new and gently used maternity clothing, pre-natal vitamins and nursing bras.
- Children’s clothes and shoes premature up to size 5 T.
- Baby furniture, toys & items including new car seats and gently used bassinets and strollers.

Boots on the Ground!

- Volunteer to help us in the office, donation processing or outdoor/indoor maintenance.
- Connect us with your church or organization to host a fundraiser or speaking opportunity.
- Add us to your daily prayers, follow us on Facebook and join our mailing list.

OUR DOORS ARE ALWAYS OPEN! COME VISIT US MON, WED, THUR 9 AM-3 PM AND TUESDAY 9 AM – 6PM!
